

# Doctor Wu

Steely Dan

Katy tried, I was half way crucified, I was on the other side of no tomorrow

You walked in and my life began again  
Just when I'd spent the last piaster I could borrow  
All night long we would sing that stupid song  
And every word we sang I knew was true

Are you with me Doctor Wu?  
Are you really just a shadow of the man that I once knew?  
Are you crazy, are you high  
or just an ordinary guy?  
Have you done all you can do?  
Are you with me, Doctor Wu?

Don't seem right, I've been strung out here all night  
I've been waiting for the taste you said you'd bring to me

Biscayne Bay, where the Cuban gentlemen sleep all day  
I went searching for the song you used to sing to me  
Katy lies, you can see it in her eyes  
But imagine my surprise when I saw you

Are you with me Doctor Wu?  
Are you really just a shadow of the man that I once knew?  
She is lovely, yes, she's sly,  
and you're an ordinary guy  
Has she finally got to you?  
Can you hear me, Doctor Wu?  
Are you with me, Doctor Wu?  
Can you hear me, Doctor Wu?
