

Green Earrings

Steely Dan

Cold, daring
No flies on me
Sorry, angel
I must take what I see

Green earrings
I remember
The rings of rare design
I remember
The look in your eyes
I don't mind

Greek medallion
Sparkles when you smile
Sorry, angel
I get hungry like a child

Green earrings
I remember
The rings of rare design
I remember
The look in your eyes
I don't mind, I don't mind

Green earrings
I remember
The rings of rare design
I remember
The look in your eyes
I don't mind, I don't mind
