

Bet That I'm Better

Stefanie Heinzmann

I tried to fit myself into the box you made for me
But try and try as much as you like it's not a reality
You said I wasn't good enough and that's a game I just
won't play
But hell'll freeze over before I believe it cus I am
here to stay
Put water on the seed watch it grow
Fuel on the fire watch it blow

Gotta get the wait off my back
Say it like it is when I want to
You gotta work harder than that
You can bet that I'm better than you
I'm leading the pack
Everything is coming up roses
If you wanna bring it I ain't scared just bring it ohhh
You can bet that I'm better, bet that I'm better than
you

Fool you underestimate but look whose laughing now
I've got a fire burning deep so deep you can't put me
out
With my army of believers here now we can touch the
stars
So you thought I would crumble infact I just raised the
bar
Put wonder in you eyes say it's so
Fuel on the fire watch it blow

Gotta get the wait off my back
Say it like it is when I want to
You gotta work harder than that
You can bet that I'm better than you
I'm leading the pack
Everything is coming up roses
If you wanna bring it I ain't scared just bring it ohhh
You can bet that I'm better, bet that I'm better than
you

na na na na na na na na!!!

Gotta get the wait off my back
Say it like it is when I want to
You gotta work harder than that
You can bet that I'm better than you
I'm leading the pack
Everything is coming up roses
If you wanna bring it I ain't scared just bring it ohhh
You can bet that I'm better, bet that I'm better than
you
