

Diggin' in the Dirt

Stefanie Heinzmann

It doesn't matter
How many breaths it will take
Just how many moments took your breath away

It doesn't matter
How many times you cried
Just how many reasons you find to smile
It's ok
It's alright
It doesn't matter
How many times you fall
Just as long as you get up standing tall
It doesn't matter
If the world don't care what you do
Just as long as it's the world to you
Just hold on
Mhm, yeah
Keep on, and on and on

Diggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told
Diggin' in the dirt
Diggin' in the dirt
To find some soul

To find some soul

To find some soul

It doesn't matter
If you're stuck deep in the mud
Just as long as you will keep your head up
And it is getting better
As time goes by you will see
There is a new turn at the end of the street
Just walk on
Mhm, yeah
Keep on, and on and on

Diggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told
Diggin' in the dirt
Diggin' in the dirt
To find some soul

To find some soul

To find some soul
