

Not At All

Stefanie Heinzmann

Hey, hey, hmmm, hey
Love's right, no bullets fly
Nobody gets hurt!
It's all sparks and butterflies
When it's true the sunshine
Unlocks every colours
Cause the... gets...

Well, I'm on ...the edge, but I won't fall
I'm learning to run before I can crawl
I'm burning up like the fireball
I got it bad, but I don't feel bad at all!
No at all!

Hmmm, yeah
What ...for so long
Cause even if I'm wrong
For once I gave it all!
I see you look at me like you never gonna leave
And I know I made the right call

Well, I'm up on the edge, but I won't fall
I'm learning to run before I can crawl
I'm burning up like the fireball
I got it bad, but I don't feel bad at all!
No at all!

Catastrophe, drama queen
..no bullet has me
Hurricane, oh my middle name
I'm waiting for your to...

Up on the edge, but I won't fall
Learning to run before I can crawl
I'm burning up like the fireball
I got it bad, but I don't feel bad at all!
No at all!
Well, I'm up on the edge, but I won't fall
I'm learning to run before I can crawl
I'm burning up like the fireball
I got it bad, but I don't feel bad at all!
No at all!
