

A Whole New World

Stellar Kart

I can show you the world
Shining, shimmering, splendid
Tell me princess, now when did you last let your heart decide?
I can open your eyes
Take you wonder by wonder
Over, sideways, and under on a magic carpet ride
A whole new world
A new fantastic point of view
No one to tell us no, or where to go, or say we're only dreamin
,

A whole new world
A dazzling place I never knew
But when I'm way up here, it's crystal clear
That now I'm in a whole new world with you
Now I'm in a whole new world with you

Unbelievable sights, indescribable feeling
Soaring, tumbling through [?] diamond sky
A whole world (don't you dare close your eyes)
A hundred hours (hold your breath it gets better)
I'm like a shooting star, I've come so far
I can't go back to where I used to be
A whole new world (I will dare to fly)
With new horizons to pursue
I'll chase you anywhere, there's time to spare
Let me share this whole new world with you
A whole new world (a whole new world)
That's where we'll be (that's where we'll be)
A thrilling chase, a wondrous place
For you and me
