

Me and Jesus

Stellar Kart

When there's nowhere else to turn
All your bridges have been burned
Feels like you've hit rock bottom
Don't give up it's not the end
Open up your heart again
When you feel like no one
Understands where you are

Someone loves you even when you don't think so don't you know y
ou got
Me and Jesus by your side through the fight you will never be a
lone on your own you got me and Jesus

After all that we've been through
By now you know I've doubted too
But every time my head was in my
Hands you said to me

Hold on to what we got
This is worth any cost so
Make the most of life
That's borrowed
Love like there's no tomorrow
