

Mistake

Stephanie McIntosh

Rush in
Way too fast
Why do I always do it?
Thinking this might last
How could I be so stupid?

But this time
I'm not OK, no
I need to breathe again
'Cause I don't want to

I don't want to make another mistake like you
And I don't want to hate, but love doesn't get me through
'Cause I can't be
Alone again
No I don't want to make another mistake
Like you

Stone cold
And hurt inside
Not what I wanted to be
I don't sleep
It's kinda hard when you cry
Yeah that's where you left me

But this time
It's not alright, no
I need to find someone
'Cause I don't want to

I don't want to make another mistake like you
And I don't want to hate, but love doesn't get me through
'Cause I can't be
Alone again
No I don't want to make another mistake
Like you

Don't wanna be caught in the moment it never comes
Is it too much to ask
That real love could find me?
I won't get stung?
I'll find the one

but...

I don't want to make another mistake like you
And I don't want to hate, but love doesn't get me through
'Cause I can't be
Alone again
No I don't want to make another mistake
Like you

I don't want to make another mistake like you
And I don't want to hate, but love doesn't get me through
'Cause I can't be
Alone again
No I don't want to make another mistake...
