

I Feel Good All Over

Stephanie Mills

Mmmm, hmmmmmmmm.

The night we met,
I often remember two strangers meeting for the very first time.
Now here we are facing each other.
Two lovers holding on to something real,
Something so meaningful.
If you wanna know how I feel,

I feel good. (I feel good.)
Baby, I feel good all over. (Baby, I feel good all over.)
You and I had what others dream about.
We finally worked it out.

Say no more.
Your expression shows it.
I see a little sunshine inside of you.
Just to be with you, it's so exciting.
Who would have thought it could happen to me. Mmmm.
It's so secret we're in love.
Even a little child can see

I feel good. (I feel good.)
Baby, I feel good all over. (Baby, I feel good all over.)
You and I had what others dream about.

You know I've been many places.
I've seen lots of faces,
Though I knew just about everything, everything there is to know.
Yet you never (Never) cease to amaze me.
(Cease to amaze me)
The main reason I live is because you made me feel good.

(I feel good.)
Baby, I feel good all over. (Baby, I feel good all over.)
When I think about all the good things you do, you do to me, baby.
(I feel good.)
Ohhhhhhh, oh, oh, oh. (I feel good.)
Baby, I feel good all-all-all over.
(Baby, I feel good all over.)
The way you hold me and smile my way.
(I feel good)
Ohhhhhhhhh, I feel good. (I feel good.)
You make me, you make me feel so good.
(Baby, I feel good all over.)
Yeeeeeeeeeeeah, yeah, yeah, yeah. I feel so good.
Ohhhhhhhhh, ohhhhhhhhh, yeah.

I feel good. (I feel good.)
Can't you see I feel good all over.
(Can't you see I feel good all over.)
I wanna let you know, yeah. (Let you know.)
(I'll let you know I love you so.)
I love you so, yeah. (I feel good.)
Yes, I do. (I feel good.)
Oh, baby. Oh, honey. Oh, sugar, I feel good all over.
(Can't you see I feel good all over.)

Sweet.
Sweet things you say to me, (Oh, yeah)
Oh, oh, oh, I love it, love it.
I feel good, oh yeah. (I feel good.)
I feel good all over.
(Can't you see I feel good all over.)
You and I, we had what others dream about.
We finally worked it out,
Mmmmmmmmm, that I-that I feel good.
