

# If I Were Your Woman

Stephanie Mills

Mmm, hmm  
Hey, baby  
There's something I want to say  
Hee, duh, dum

If I were your woman  
And you were my man  
You'd have no other woman  
You'd be weak as a lamb  
If you had the strength  
To walk out that door  
My love would overrule my sense  
And I'd call you back for more

If I were your woman {Woman}  
If I were your woman {Woman}  
And you were my man  
Hey, hey

She tears you down, darlin?  
Says you're nothing at all  
But I'll pick you up, doll  
When she let's you fall

You're like a diamond  
But she treats you like glass  
Yet you're payin' her to love you  
But me, oh, no, you don't ask

If I were your woman {Woman}  
If I were your woman {Woman}  
If I were your woman, oh {Woman}  
Here's what I'd do  
I would never, never, no, no  
Stop loving you, yeah

Life is so crazy  
And love is unkind  
But because she came first  
Will she hang on your mind

You're a part of me  
And you don't even know it  
That I'm what you need  
But I'm so, so afraid to show it

If I were your woman {Woman}  
If I were your woman {Woman}  
If I were your woman {Woman}  
Here is what I would do  
I would never, never, no, no (No, no)  
Never, never, no, no (No, no)  
Never, never, no, no  
Stop loving you

{If I were your woman, woman, woman, woman}  
Sweet lovin' woman, yeah

{If I were your woman, woman}  
You're a part of me and you don't even know it  
{If I were your woman, woman}  
That I'm what you need and I ain't afraid to show it  
{If I were your woman, woman}  
Your woman, your woman, woman  
{If I were your woman, woman, woman, woman}  
Hee...eee...yeah  
{If I were your woman, woman}  
Me endin? all would be ready, you got a home  
{If I were your woman, woman}  
And son, ha-ha, you would never ever never have to roam  
{If I were your woman, woman}  
I'm the only woman, yes, I am  
{If I were your woman, woman, woman, woman}  
And I don't want, I don't want no other man
