## It Might Be You

## **Stephen Bishop**

Time I've been passing time watching trains go by All of my life Lying on the sand, watching seabirds fly Wishing there would be Someone waiting home for me Something's telling me it might be you It's telling me it might be you All of my life

Looking back as lovers go walking past All of my life Wondering how they met and what makes it last If I found the place Would I recognise the face Something's telling me it might be you Yeah it's telling me it might be you

So many quiet walks to take So many dreams to wake And we've so much love to make Oh, I think we've gonna need some time May be all we need is time

And it's telling me it might be you All of my life

I've been saving love songs and lullabies And there're so much more No one's ever heard before

Something's telling me it might be you Yeah, it's telling me it must be you And I'm feeling it'll just be you All of my life

May be it's you (it's you) May be it's you (it's you) I've been waiting for all of my life
