There must be something in the water tonight,
Little girl you just don't look right,
Stand and deliver,
Get rid of that shiver,
Don't you think I feel the cold too?
Hey hey, hey
Hey don't be so hard on yourself
Play, play,
Play in the grass, in the field,

There must be something in the water tonight,
Little girl you just don't sound right,
You can write me a letter,
If it'll make you feel any better,
Run along why don't you do it tonight?
Hey hey, hey
Hey don't be so hard on yourself,
Play, play
Play in the grass, in the fields,

There must be something in the water tonight
Little girl you just don't feel right
