I'll Be There

Stephen Gately

All: lose your way... I'll be there I'll be there... Ronan: day and night I'm thinking of you With a heart that is true Only you can have the feeling, too Always and forever it's you And the things that you do No need to fear Or lose your way Stephen: something special I'll say I'll say it to you, I will Don't you know that it's true At the end of the day I promise you All: I'll be there When there's no one else to turn to I'll be there When you need someone to hold you I'll be there When the dark of night surrounds you I'll be there... Ronan: deep inside I suddenly knew It had to be you Oh I tried to stay, stay away The dream I had Was never to be All I could see There inside My foolish pride Stephen: something special I'll say I'll say it to you, I will Don't you know that it's true At the end of the day I promise you All: I'll be there When there's no one else to turn to I'll be there When you need someone to hold you I'll be there When the dark of night surrounds you I'll be there... I'll be there When there's no one else to turn to I'll be there When you need someone to hold you I'll be there When the dark of night surrounds you I'll be there...
