

# Just Can't Say Goodbye

Stephen Gately

Here I'm standing like an open book  
In front of you - my page is turning  
Pick a chapter babe, and take a look  
What do you see

Maybe now you're learning  
My heart's breaking only you can stop  
The pain I feel, I can't give up  
I ask the question that I need to know  
(Won't you) listen to me

Please don't walk away - leave me behind  
With these crazy feelings  
No one is to blame - ain't that a shame  
But I still believe in you, oh you  
You're my every dream come true  
That is why  
I just can't say goodbye

Here I'm lying in my bed alone  
What do I feel - another page is turning  
Once again another chapter's closed  
And in my mind I see our bridge is burning

I am falling and I can't get up  
Seems so far to reach the top  
The way I feel for you will never stop  
(Won't you) Listen to me

Don't want to walk away  
Don't want to let you down  
Don't want to see you crying  
Just want to see you smile

I'll never walk away  
I'll never let you down  
I'll never leave you crying  
I just can't say goodbye

Oh babe, you, oh you  
You're my every dream come true  
And that is why  
I just can't say goodbye  
And that is why  
I just can't say goodbye
