

# New Beginning

Stephen Gately

Seven Years I've waited  
Seven years of holding on  
Yes it's been  
Yes it's been  
Always kept my faith in  
Always know this day would come  
Let everybody know

I've made up my mind  
It's time for a new beginning  
I'm livin' my life  
It's time for a new beginning

There's a new day comin'  
Getting ready for a change  
Yes I am  
Yes I am  
Gotta keep on runnin'  
Gotta be a better way  
Yes there is  
Yes there is  
Gotta do what's in your heart  
Say what's on your mind  
Everybody  
Gotta keep you to myself  
I feel now that it's my time  
That everybody knows

I've made up my mind  
It's time for a new beginning  
I'm livin' my life  
It's time for a new beginning

It's time for a new beginning  
Yeah...

I've made up my mind  
It's time for a new beginning  
I'm livin' my mind  
It's time for a new beginning

Come on, Come on  
There's gotta be a better way  
Come on, Come on  
There's gotta be a better way
