

# Where Do We Go

Stephen Gately

I ask, when will I see you again  
Once was all that we had  
And your touch I've forgotten  
How good it was  
Question my train of thoughts  
Turning around in my mind  
Can't let go  
Visions of you baby  
Is all that I know  
Where do we go from here  
How do we find our way to go on  
Promise you'll stay by my side  
Don't walk away from me now  
Where do we go  
Oh where do we go  
Oh yeah yeah  
I ask myself where are you now  
Are you alone in the night  
Do you feel the same way  
That I'm feeling for you  
'cause babe I need to know  
Constantly sleepless  
Alone in my bed  
Visions of you babe  
Is all that I have  
Chorus  
Oh where do we go  
Oh yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
Constantly sleepless  
Alone in my bed  
Visions of you babe  
Is all that I have  
Chorus  
(where do we go from here)  
Where do we go yeah yeah  
Oh oh oh yeah  
(how do we find our way to go on)  
Where do we go  
(promise you'll stay by my side)  
Don't walk away don't walk away, baby  
(don't walk away from me now)  
All I ask now  
Don't walk away don't walk away, baby  
All I ask now  
(promise you'll stay by my side)  
Don't walk away from me now  
Where do we go
