

# I Need To Make You Mine

Stephen Jerzak

Baby, I know you're asleep  
But I have to let you know  
That I'll be here  
When you need someone to talk to  
And when I look into your eyes  
My heart skips a beat

I've made up my mind,  
Baby, anchor's away  
I wanna stay here with you  
Baby, right on the coast of California

Cause when you're by my side  
I feel like I can fly  
I'm sick of wasting time  
I need to make you mine  
I need to make you mine

Baby, I'll call you tonight  
Cause when I hear your voice  
Softly, talk me to sleep  
I know I made the right choice  
And when I see you with a smile  
I get butterflies  
I've made up my mind,  
Baby, anchor's away  
I wanna stay here with you  
Baby, right on the coast of California

Cause when you're by my side  
I feel like I can fly  
I'm sick of wasting time  
I need to make you mine  
I need to make you mine

Anchor's away  
I wanna stay here with you  
Baby, right on the coast of California

Cause when you're by my side  
I feel like I can fly  
I'm sick of wasting time  
I need to make you mine  
I need to make you mine
