

Lullaby

Stephen Jerzak

You can rest easy tonight
Everything is gonna be alright
I promise
Go to sleep and dream of me tonight
Everything may not be perfect
But at least we tried

So tonight sweet dreams
And sleep tight
I've been trying so hard
Can't get you out of my mind
And if this is how it has to be
Just promise you won't forget me
And I'll leave you with this lullaby tonight

I know that this hurts you
It hurts me too
I wish there was something I could do
To make it easier for you
Sometimes is tough
Too soon to call it love
But I want it too
Yeah I want it too
But it's too late now to say
All the wonderful things
That I thought of you

So tonight sweet dreams
And sleep tight
I've been trying so hard
Can't get you out of my mind
And if this is how it has to be
Just promise you won't forget me
And I'll leave you with this lullaby tonight
