

She Said

Stephen Jerzak

Grab a drink dancin' under flashin' lights
She's a queen but she won't put up a fight
Everybody knows that she's a looker but she ain't quite
right
So I lie through my teeth again

Been around see I think I know the type
Honesty is not the policy she likes
Choice words spoken to her in the heat of night
So I lie through my teeth again

Oo boy would you mind if I got closer
Oo boy I can tell you want me don't ya
And I say why do you think that a wink can get you
anything you ask for out on the dance floor

She said
Oo do you love me
I wonder why she talks like that
Tell me something
Tell me how'd you get to be so bad
Hey I know something you don't
Let's go
We can go wherever you want to go
How would you feel if I told ya

You ain't worth the trouble

It's hard to think dancin' under flashin' lights
Touchin' me tellin' me I'm just her type
And everyone's tellin' me that she's the hollywood hype
so tonight I'm gonna lie through my teeth again.

She's lookin' at me and I know that she don't see
I couldn't live her when there so many others
Blowin' kisses at me but she aims too high
How could I love her when there's so many other
