

Timebomb Baby

Stephen Jerzak

And you don't have a clue,
But every time it's just another way for you,
To get me going,
To get me going.

And the things you do to me,
Is enough for me to slide your apologies,
Right on by me.
Right on by me.

And tonight is the night I-I-I-I-I-I...

I'm t-t-tickin like a timebomb baby, baby.
When you told me to forget you I went crazy.
But now I'm here and I doubt you'll see me standing still
Cause I'm waiting for the time
To let it go.

And I don't want to do what I've been doing
And it's time to make it through another day of holding on.
And you've become a mess,
SO STOP!
And build back up,
To what you used to be.

I'm t-t-tickin like a timebomb baby, baby.
When you told me to forget you I went crazy.
But now I'm here and I doubt you'll see me standing still
Cause I'm waiting for the time
To let it go
