

## For the Ladies

Stephen Lynch

I kissed you on the cheek, "Goodnight my love" I say  
You turned to me and smiled "A baby's on the way"  
And then you drift asleep to dream of life anew,  
And I lie wondering just what I should I do...

I could kick you in the stomach and catch you unawares,  
I could swear to god you accidentally fell that flight of stairs,  
When I tell you that I love you I will look you in the eye,  
As I slowly slide the hanger up your thigh...
