

## Walken I

Stephen Lynch

Hey its Cristopher Walken  
Gerbil what kinda of song is that. Thats crazy  
theres no cowbell in Gerbil  
I need more cowbell  
Gerbil, We all, look Mr Lynch  
We all know the erotic effects of  
rodents in the rectum  
But who would try it with out a leash  
Thats crazy  
Of Course he died up there  
Think about it
