

Feel the work  
Of the tooth-impacting jerks,  
Seem to measure you for size,  
They got metal in their eyes [oh yeah]  
We're chasin' performance and several moods  
We're chasin' performance and several moods  
Times where easy wages fat,  
Stumble on inflated stats

The equinox tail- chaser -- super frail  
Smoking in the fog,  
Set a trap in the mirage,

Jen, you took me far into a long line.
