

# I Can't Do That

Stephen Simmonds

I try to be the lover that you wanted  
But I'm trapped inside myself  
Well, well, well  
I try to see why our love was haunted  
Though my heart is strong  
I can't right what's wrong  
If you find her hold her  
I don't want to let you go  
It ain't over  
'Till it's over, oh no

I can't help the way I feel  
I can't get what I don't have  
Anything you want me to I will  
But I can't do that  
I can't help the way I feel  
I can't get what I don't have  
Anything you want me to I will  
But I can't do that

The feeling worth the feeling that's come over  
To win we got to fight  
If we lose we got to pay ay yeah  
I love you so  
That's all I wanted you to know  
I hope we live to tell  
Will we break the spell

If you find her, hold her  
I don't wanna let you go  
It ain't over  
It ain't over, it ain't over  
Until it's over

I can't help the way I feel  
I can't get what I don't have  
Anything you want me to I will  
But I can't do that  
I can't help the way I feel  
I can't get what I don't have  
Anything you want me to I will  
But I can't do that

I just can't do that  
I just can't do that  
I just can't do that girl  
Anything you want me to
