If I Was Your Man

Stephen Simmonds

Take a look around tell me are you down?
Or do you feel like you're alone in this town?
Players come to play, but they're not here to stay
I can love you better in every way

It will all be different
Girl you don't understand
I'd give my soul
If I was your man

Tell me how you're livin'
Course I've got the master plan
I'd take control If I was your man

I've been thinkin' about
Somebody tell me now
How she got me open 'cause it's freakin' me out
You make me loose my cool with the things you do
Girl you're my religion, I'm believing in you

You may think I'm not your kind
Believe me girl if you were mine
You would feel the same way that I do
I'd show you you the love that you never knew
