

## Complete

Stephen Speaks

If I lay my voice down at Your feet  
would you still hear my song echoing  
I might end this game of hide and seek  
because in You

I am complete  
oh in You  
I am complete

All the voices i hear in my sleep  
all the sins of my past echoing  
to stay off my knees and on my feet  
oh but they,  
they can't complete  
cause in You I am complete

Ohhhhhhhhhh.....  
Ohhhhhhhhhh.....  
Ohhhhhhhhhh.....  
Ohhhhhhhh.....

I am complete (5x)  
If I lay my voice down at your feet
