For What It's Worth

Stephen Stills

There's something happening here But what it is ain't exactly clear There's a man with a gun over there Telling me I got to beware

I think it's time we stop Children, what's that sound? Everybody look, what's going down?

There's battle lines being drawn And nobody's right if everybody's wrong Young people speaking their minds Getting so much resistance from behind

It's time we stop Hey, what's that sound? Everybody look, what's going down?

What a field day for the heat A thousand people in the street Singing songs and carrying signs Mostly saying, "Hooray for our side"

It's time we stop Hey, what's that sound? Everybody look, what's going down?

Paranoia strikes deep Into your life it will creep It starts when you're always afraid Step out of line, the men come and take you away

We better stop Hey, what's that sound? Everybody look, what's going down?

Stop
Hey, what's that sound?
Everybody look, what's going down?

Stop
Now, what's that sound?
Everybody look, what's going down?

We better stop Children, what's that sound? Everybody look, what's going down?
