

# It Doesn't Matter

Stephen Stills

Fallin' and spinnin'  
Losin' and winnin'  
Keepin' my head

Watchin' for signals  
Wear some uigil  
Was I misled  
I remember you said that you  
Don't want to forget me  
It doesn't matter  
Which of our fantasies fled

Every tomorrow  
Lookin' to borrow  
A piece of today

Run a bit faster  
Here comes the catcher  
Makin' his play  
You had better not stay  
You will soon be surrounded  
It doesn't matter  
Which of our fantasies fled

Lonely and winsome  
Calling for someone  
Living right now

Something is shallow  
Ugly and hollow  
Doesn't even allow  
You to want to know how you might  
Live for the living and  
Give for the giving. Living  
Moment by moment  
One day at a time  
It doesn't matter  
It's nothin' but dreamin' any how
