

# Only Love Can Break Your Heart

Stephen Stills

When you were young and on your own  
How did it feel to be alone  
I was always thinkin' of games that I was playin'  
Tryin' to make the best of my time

But only love can break your heart  
Try to be sure right from the start  
Yes only love can break your heart  
What if your world should fall apart

I have a friend I've never seen  
He hides his head inside a dream  
Someone should call him and see if he can come out  
Try to lose the down that he's found

But only love can break your heart  
Try to be sure right from the start  
Yes only love can break your heart  
What if your world should fall apart

And so my friend if you have seen  
The other side of all those dreams  
Know that you can take it as far as you would want to  
Don't believe the great run around

But only love can break your heart  
Try to be sure right from the start  
Yes only love can break your heart  
What if your world should fall apart  
I have a friend I've never seen  
He hides his head inside a dream

Yes, only love can break your heart  
Yes, only love can break your heart  
Yes, only love can break your heart  
Yes, only love can break your heart  
Yes, only love can break your heart  
Yes, only love can break your heart
