

Special Care

Stephen Stills

You there in the window starin' at me
Do you think I?m blowin' my cool playin' the fool
You there on a corner staring at me

Do you think I?m someone gone
Would you like to shoot me down

Oh yes
And I keep telling you that special care has been taken
To make you aware, I?ve been forsaken
And if you don?t care, there?s a bomb to take your house down

I?m telling you that special care has been taken
To make you aware, I?ve been forsaken
And if you don?t care then there?s a bomb to blow your house do
wn
Oh yeah
