

Good Morning Little Schoolgirl

Steppenwolf

Good morning, little schoolgirl
Can I come home with you
Tell your mama and papa
I'm a little schoolboy too
Baby, I love you this morning
Now I can't help myself
Come on now, pretty baby
I don't want no one else
Good morning, little schoolgirl

Now I'm gonna meet you, baby
Meet you by the schoolyard gate
Tell your mama and your papa
You won't be home till late
Good morning, little schoolgirl
Won't you come home with me
Hey, you know I'm
I'm gonna please you, baby
You just wait and see
Good morning, little schoolgirl

Now I'm gonna buy me an airplane
Fly all over your town
Tell everybody, baby
Lord knows, you're fine
Good morning, little schoolgirl
I can't help myself
You're so young and pretty
I don't want no one else
Good morning, little schoolgirl
Can I come home with you
