

(I'm a) Road Runner

Steppenwolf

Money, who needs it
Let me live life free and easy
Put a toothbrush in my hand
And let me be a travelin' man

'Cause I'm a road runner, baby

I'm a road runner, baby
I can't stay in one place too long
I'm a road runner, baby
You might look for me and I'll be gone

You can love me if you wanna
But I, I do declare
When I get restless
I've got to move somewhere

I'm a road runner, baby
Anywhere's my home
And love the life I live
And I'm gonna live the life I love

Road runner, baby

Don't want nobody to tie me down
Got to be free, baby
To roam around

All my life it's been like this
If you love me it's your own risk
When the dust hits my shoe
I've got the urge to move

'Cause I'm the road runner, baby
Anywhere's my home
And love the life I live
And I'm gonna live the life I love

Road runner, baby
