

What Would You Do (If I Did That to You)

Steppenwolf

Ahh saw me walkin' the other day
he saw me comin' said get outta my way
He told me that I was in the wrong groove
He told me that I would have to move

I looked at him ah right in the eye
Ah say hey man! Tell me why
He said I was different
didn't fit in his grace
'cause all the people 'round
got the same kinda face

What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you Yeah

I went to see mah baby
ta give me some love
I needed some understandin'
I need it so much
I went to see mah baby
ta give me some love
The sugah that she gave me
I couldn't get enough

Well she wouldn't see me
she didn't have time
Cause she found a new man
with better lovin' than mine
I couldn't get her ta see me
she closed her front door
She told me it was over
I was free once more

What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you ahh

What would you do
Hey what would you do now
What would you do
if I did that to you

What would you do
What would you do now
What would you do
if I did that to you

What would you do
What would you do now
What would you do

if I did that to you

What would you do

What would you do now

What would you do

if I did that to you...
