

# Better The Devil You Know

## Steps

Better the devil you know  
Better the devil you know  
Oh

Better the devil you know  
Better the devil you know  
Oh, oh

Say you won't need me no more  
I'll take you back again  
No more excuses, no no  
Cos I've heard them all before  
A hundred times or more

I'll forgive and forget  
If you say you'll never go (woah)  
Cos it's true what they say  
It's better the devil you know  
Woah

Our love wasn't perfect, I know  
I think I know the score  
If you say you love me, oh boy  
I can't ask for more  
I'll come if you should call (woah)

I'll forgive and forget  
If you say you'll never go  
Cos it's true what they say  
It's better the devil you know  
Woah

I'll be here every day  
Waiting for your love to show (woah)  
Yes it's true what they say  
It's better the devil you know  
Woah  
Woah  
Woah  
Oh, woah

Say you won't leave me no more  
I'll take you back again  
No more excuses (no, no)  
Cos I've heard them all before  
A hundred times or more

I'll forgive and forget  
If you say you'll never go (woah)  
Cos it's true what they say  
It's better the devil you know

I'll be here every day  
Waiting for your love to show (woah)  
Yes it's true what they say  
It's better the devil you know

I'll forgive and forget  
If you say you'll never go (woah)  
Cos it's true what they say  
It's better the devil you know
