

Here And Now

Steps

Here and now
I wanna be the one for you
In everything you want me to
'Cos I couldn't live if were apart

Time is running out on you and me
'Cos nothings what it used to be
I guess I'm the only one to blame

But I promise you to make it right
Forget all the sorrows you bear with in tonight
Believe in me when I say

Here and now
I wanna be the one for you
In everything you want me to
'Cos I couldn't live if were apart

Say there is something
I can do If I can make it up to you
For every time I let you down

And I promise you to make it right
Forget all the sorrows you bear with in tonight
Believe in me when I say

Here and now
I wanna be the one for you
In everything you want me to
'Cos I couldn't live if were apart

Here and now let's tear down the walls together
It's better late than never
I know that we could find a way here and now
I'll be there for you

Here and now
I wanna be the one for you
In everything you want me to
Cos I couldn't live if were
Apart

Here and now
I wanna be the one for you
In everything you want me to
'Cos I couldn't live if were apart

Here and now
I wanna fall in love again
And try to be the best I can
So give me a chance to win your heart
