

## Here And Now

### Steps

Here and now  
I wanna be the one for you  
In everything you want me to  
'Cos I couldn't live if were apart

Time is running out on you and me  
'Cos nothings what it used to be  
I guess I'm the only one to blame

But I promise you to make it right  
Forget all the sorrows you bear with in tonight  
Believe in me when I say

Here and now  
I wanna be the one for you  
In everything you want me to  
'Cos I couldn't live if were apart

Say there is something  
I can doIf I can make it up to you  
For every time I let you down

And I promise you to make it right  
Forget all the sorrows you bear with in tonight  
Believe in me when I say

Here and now  
I wanna be the one for you  
In everything you want me to  
'Cos I couldn't live if were apart

Here and now let's tear down the walls together  
It's better late than never  
I know that we could find a way here and now  
I'll be there for you

Here and now  
I wanna be the one for you  
In everything you want me to  
Cos I couldn't live if were  
Apart

Here and now  
I wanna be the one for you  
In everything you want me to  
'Cos I couldn't live if were apart

Here and now  
I wanna fall in love again  
And try to be the best I can  
So give me a chance to win your heart
