

# Human Touch

## Steps

Yeah, yeah, yeah  
Oh, oh

Dum, da, da, da, dum, da  
Dum, da, da, da, da, da, dum da, da, dum, da  
Dum, da, da, da, dum, da  
Da, da, da, da, dum, da, dum, da, dum

If I tell you a secret  
Would you ever tell a soul  
Inside I've got this feeling  
And it's really taking hold  
You spell it for another  
And it's feel irresistible  
So now I sit and wonder  
Could one kiss change it all

Everybody needs the human touch  
Does anybody really get enough  
It's a feeling we're all dreaming of  
When two hearts beat as one  
We all need what we call love  
Does anybody really get enough  
It's a feeling we're all dreaming of  
We need that human touch

You know when love has found you  
As the moment that is pure  
Now all at once I realise  
Half of me is yours  
A miracle has happened  
And it brought you to me  
Now I'm caught up in the rapture  
That only love can break

Everybody needs the human touch  
Does anybody really get enough  
It's a feeling we're all dreaming of  
When two hearts beat as one  
We all need what we call love  
Does anybody really get enough  
It's a feeling we're all dreaming of  
We need that human touch

The first time I ever saw you  
I was mesmerized  
And everyday since I've fallen for you  
Feels like paradise

We all need it  
We all feel it  
When two hearts beat as  
They beat as one

Everybody needs the human touch (we call love)  
Does anybody really get enough  
(nobody getting enough)

It's a feeling we're all dreaming of  
When two hearts beat as one (two beat as one)  
We all need what we call love (we called love)  
Does anybody really get enough  
(nobody getting enough)  
It's a feeling we're all dreaming of  
We need that human touch
