

# It's The Way You Make Me Feel

## Steps

It's the things that you do, so physical  
It's the things that you say, so flammable  
You know I can't resist, boy it's such a shame  
That you belong to another  
I don't want to hurt nobody, but my heart just can't hold back

It's the way you make me feel (the way that you make me feel)  
Spinning my world around  
Tell me, how can I walk away  
I don't care what they say, I'm loving you anyway  
It's the way you make me feel

I'm gonna make you mine, it's not impossible  
Got to let you know I'm irresistible  
Baby can't you see you're the one for me  
But you belong to another  
I don't want to hurt nobody, but my heart just can't hold back

It's the way you make me feel (the way that you make me feel)  
Spinning my world around  
Tell me, how can I walk away  
I don't care what they say, I'm loving you anyway  
It's the way you make me feel

Make me feel, make me feel  
Make me feel, make me feel

When I look into your eyes, every time you smile at me  
Oh I go weak inside, baby I just can't hide my love

It's the way you make me feel (the way that you make me feel)  
Spinning my world around  
Tell me, how can I walk away  
I don't care what they say, I'm loving you anyway  
It's the way you make me feel

Make me feel, make me feel  
Make me feel, make me feel

Tell me, how can I walk away  
I don't care what they say, I'm loving you anyway

It's the way you make me feel
