## It's The Way You Make Me Feel

It's the things that you do, so physical It's the things that you say, so flammable You know I can't resist, boy it's such a shame That you belong to another I don't want to hurt nobody, but my heart just can't hold back

It's the way you make me feel (the way that you make me feel) Spinning my world around Tell me, how can I walk away I don't care what they say, I'm loving you anyway It's the way you make me feel

I'm gonna make you mine, it's not impossible Got to let you know I'm irresistible Baby can't you see you're the one for me But you belong to another I don't want to hurt nobody, but my heart just can't hold back

It's the way you make me feel (the way that you make me feel) Spinning my world around Tell me, how can I walk away I don't care what they say, I'm loving you anyway It's the way you make me feel

Make me feel, make me feel Make me feel, make me feel

When I look into your eyes, every time you smile at me Oh I go weak inside, baby I just can't hide my love

It's the way you make me feel (the way that you make me feel) Spinning my world around Tell me, how can I walk away I don't care what they say, I'm loving you anyway It's the way you make me feel

Make me feel, make me feel Make me feel, make me feel

Tell me, how can I walk away I don't care what they say, I'm loving you anyway

It's the way you make me feel
