

# Learn To Love Again

## Steps

How could it go wrong when I dreamed for so long  
Of you and no one else  
I thought you were truly, the one who knew me  
Better than know myself

And since you went away,  
I face the pain each day  
Of livin' without you  
Love had a hold on me and then it set me free  
Now there's nothing I can do

But learn to love again  
I know the pain won't last  
I'll get there in the end  
I'll mend this broken heart

And learn to love again  
I know the pain will pass  
And though I don't know,  
I'll get there in the end  
Somehow I'll learn to love again

So many lessons, so many questions  
I'm tired of what could have beens  
And nothing's forever, never say never  
Who knows where the heart will lead

'Cause when you've been in love, you know it's not enough  
To live without someone who cares  
So baby come what may,  
I won't lose faith no way  
It's more than I can bear

So I'll learn to love again  
I know the pain won't last  
I'll get there in the end  
I'll mend this broken heart

And learn to love again  
I know the pain will pass  
And though I don't know, I  
'll get there in the end  
Somehow I'll learn to love again

I know this pain won't last forever  
I'm gonna put this broken heart back together

Well, I'll learn to love again  
I know the pain won't last  
I'll get there in the end  
I'll mend this broken heart

And learn to love again  
I know the pain will pass  
And every now and then,  
I'll think of you my friend  
But somehow I'll learn to love again
