

# Love's Got A Hold On My Heart

## Steps

(Heart, heart, heart, heart, heart, heart)  
Love's got a hold on my heart  
(Love's got a hold on my heart)

I'm calling out  
Won't somebody out there hear my SOS (SOS)  
Throw me a life line please, and save me  
There's no doubt  
Baby, you took me prisoner I confess  
When you crossed my defences  
And captured my heart

And now it's too late to put up a fight  
I thought I was strong but as hard as I try  
Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart  
(My heart, my heart, heart, heart, heart)  
(Love's got a hold of my heart)

There's no escape (there's no escape)  
Now I'm like a damsel in distress  
Trapped in this fairy tale forever (ooh ooh)  
And no mistake  
It's tragic but I'll have to face the truth I guess  
And live ever more resigned to my fate

Cos now it's too late to put up a fight  
I thought I was strong but try as I might  
Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart,  
Yeah, yeah  
Love's got a hold on my heart

Hold on my heart  
Hold on my heart  
(Love's got a hold on my,  
It's got a hold on my heart)  
(Heart, heart, heart, heart, heart, heart, heart, heart)  
Oh oh  
(Heart, heart, heart, heart, heart, heart, heart, heart)  
Yeah  
Ooh oh

And now it's too late to put up a fight  
I thought I was strong but try as I might  
Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart

Can't break away  
Darling, there's no way out  
Nothing can help me now

Love's got a hold on my heart (ooh ooh)  
Love's got a hold on my heart
