

Overjoyed

Steps

Over time, I've been building my castle of love
Just for two, though you never knew you were my reason

I've gone much too far for you now to say
That I've got to throw my castle away

Over dreams, I have picked out a perfect come true
Though you never knew it was of you I've been dreaming

The sandman has come from too far away
For you to say come back some other day

And though you don't believe
What they do that do come true
For did my dreams come true
When I looked at you
And maybe too, if you would believe
You too might be overjoyed, over loved, over you, you

Over hearts, I have painfully turned every stone
Just to find, I had found what
I've searched to discover

I've come much too far for me now to find
The love that I sought can never be mine

And though you don't believe
What they do that do come true
For did my dreams come true
When I looked at you
And maybe too, if you would believe
You too might be overjoyed, over loved, over you, you

And though the odds say improbable
What do they know
For in romance
All true love needs is a chance
And maybe with a chance you will find
You too like I
Overjoyed, over loved, over you, you
Over you
