

Please Come Home for Christmas

Steps

Bells will be ringing this sad sad news
Oh what a Christmas to have the blues
My baby's gone I have no friends
To wish me greetings once again

Choirs will be singing "Silent Night"
Those Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas by New Years night

Friends and relations send salutations
Just as sure as the stars shine above
This is Christmas, Christmas my dear
The time of year to be with the ones you love

So won't you tell me you'll never more roam
Christmas and New Years will find you home
There'll be no more sorrow, no grief or pain
And I'll be happy, happy once again

Oh there'll be no more sorrow, no grief or pain
And I'll be happy, happy once again
