

# To Be Your Hero

## Steps

Oh yeah, yeah, yeah, yeah  
I'd do anything to be your hero

Maybe I'm never gonna change the world  
Or split the atom in two  
I know one man can't save the universe  
But girl, if I could, I'd do it for you

I'd give you anything you asked for  
I'll be your knight in shining armor  
And just like Superman

I'd move heaven and earth  
In order to save you  
Swim seven seas  
Come to your rescue

What would it take?  
Just let me know  
I'd do anything to be your hero

I know I may not be invincible  
Or be the world's strongest man, oh no  
But baby, nothing seems impossible  
With you by my side, I'll hold back the time

I'll be your knight in shining armor  
Bright light to guide you into harbor  
And just like Superman

I'd move heaven and earth  
In order to save you  
Swim seven seas  
Come to your rescue

What would it take?  
Just let me know  
I'd do anything to be your hero

I'd fly through the air  
Protect you from danger  
Walk through fire  
To win back your favor

What more would it take?  
I have to know  
'Cos I'd do anything to be your hero  
I'd do anything to be your hero

Hero, hero, hero  
Won't you be my  
Hero? hero, hero

Hero, hero, hero  
Come on  
I'd do anything to be your hero

Move heaven and earth  
In order to save you  
Swim seven seas  
Come to your rescue

What would it take?  
Just let me know  
I'd do anything to be your hero

I'd fly through the air  
Protect you from danger  
Walk through fire  
To win back your favor

What more would it take?  
I have to know  
'Cos I'd do anything to be your hero  
I'd do anything to be your hero
