Here at night In a lost and lonely part of town Held in time In a wad of tears I slowly drown Going home I just can't make it all alone I really should be holding you holding you , loving you Loving you Tragedy... When the feelings gone And you can't go on it's Tragedy... When the morning cries And you don't know why , it's Hard to bear With no-one to love you Your going nowhere Tragedy... When you lose control And you got no soul , it's Tragedy... When the morning cries And you don't know why , it's Hard to bear With no-one beside you Your goin' nowhere Night and day There's a burnin' down inside of me Burnin' love With a yearning that won't Let me be Down I go And I just can't take it all alone I really should be holding you Holding you , loving you Loving you Tragedy... When the feelings gone And you can't go on it's Tragedy... When the morning cries And you don't know why , it's Hard to bear With no-one to love you Your going nowhere Tragedy... When you lose control And you got no soul , it's

Tragedy...

When the morning cries

And you don't know why , it's Hard to bear
With no-one beside you
Your goin' nowhere

Tragedy...
When the feelings gone
And you can't go on it's
Tragedy...
When the morning cries
And you don't know why , it's
Hard to bear
With no-one to love you
Your going nowhere

Tragedy...
When you lose control
And you got no soul , it's
Tragedy...
When the morning cries
And your heart just dies
Hard to bear
With no-one beside you
Your goin' nowhere
