

# Baby You Win

Stereo Skyline

Her shotgun hips  
Tore apart my lower lip.  
This is how I'll take and tear her apart.

My fingers down her spine.  
I'll set fire to this hospital line.  
But god knows that I'm down. I'm down.

Bah bah bah!  
Wheres your sense of urgency kid?  
Her her shotgun hips. So this is panic.

Bah bah bah bah bah bah!

So isn't this sick. baby I'm dying to sink you  
Her her! Shotgun hips so this is panic.

So she bent up my terribly cute jawline.  
So miss Malanie baby you win. You win.

Bah bah bah!  
Wheres your sense of urgency kid?  
Her her! Shotgun hips so this is panic.

Bah bah bah.  
Bah bah bah.  
Bah bah bah.  
Bah bah bah.

So miss Malanie baby you win.  
So miss Malanie baby you win.

Her shotgun hips.  
Tore apart my lower lip.

Bah bah bah!  
Wheres your sense of urgency kid?
