

Shake And Shout

Stereo Skyline

Shake and shout. Get it out before it swallows you.(swallows you)

I've got this itching in my neck that I just can't scratch yeah
And its all because of something that leads right back to you.

Sit around and talk about, how lame. We really are.

I'll watch you dance around to new found glory in the front seat of my car.

So again and again, she's got me going.

Around in circles my head, she's got me spinning.

What to do what to say, I can't make it out this way.

Shake and shout. get it out before it swallows you.(swallows you)

I know my heart and my head, meant the words that I said.
Yeah but its nothing compared to the melting in my chest.

Sit around and talk about how lame we really are.

I'll watch you dance around to new found glory in the front seat of my car.

So again and again, she's got me going.

Around in circles my head, she's got me spinning.

What to do what to say, I can't make it out this way.

(sh'sh'sh'shake and shout)

I know my heart and my head meant the words that I said,

(sh'sh'sh'shake and shout)

She calls me stupid but the truth is that I'm falling in love.

Sit around and talk about how lame we really are.

I'll watch you dance around to new found glory in the front seat of my car.

So again and again, she's got me going.

Around in circles my head, she's got me spinning.

What to do what to say, I can't make it out this way.

So again and again, she's got me going.

Around in circles my head, she's got me spinning.

What to do what to say, I can't make it out this way.

(so again and again, so again and again)

(she's got me spinning, no I can't make it out)

(no I can't make it out, this way)
