Plastic surgery guilty is really of plastic heart  
She dresses up in plastic clothes  
And gets into her plastic car

I wanna be plastic too!  
And be plastic friends with you!

She took a trip to Amsterdam  
They told her it would do her well  
She had a plastic overdose  
In a cheap plastic hotel

I wanna be plastic too!  
Less like me and more like you!  
Plastic, plastic, I am plastic.  
Plastic, plastic  
let's have some plastic to drink our ugly lies  
Plastic, plastic, I am plastic  
Plastic, plastic  
Plastic others all I'm dreaming of  
Plastic, plastic I am plastic

Plastic politicians  
In a plastic world  
There's plastic suicide bombers  
Going to a plastic paradise  
I wanna be plastic too!  
And die from plastic ideas like you  
plastic. plastic, I am plastic  
Plastic plastic  
plastic bottles all I'm dreaming of  
plastic, plastic, I am plastic  
Plastic, Plastic  
let's have some plastic drink to our ugly lies  
plastic plastic, I am plastic x 4 too!
