

Though this world's essentially
An absurd place to be living in
It doesn't call for bubble withdrawal
I've been told it's a fact of life
Men have to kill one another
Well, I say there are still things worth fighting for
La resistance!

Though this world's essentially
An absurd place to be living in
It doesn't call for bubble withdrawal
It said 'Human existence is pointless'
As acts of rebellious solidarity
Can bring sense in this world
La resistance!

Life is so hard
