What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
It's built on, built on bluff  
Built on bluff, built on trust  
It's built on, built on bluff  
Built on bluff, built on trust  
It's built on, built on bluff  
Built on bluff, built on trust  
It's built on, built on bluff  
Built on bluff, built on trust  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
What's society built on  
It's built on, built on words  
Built on words, built on work  
It's built on, built on words  
Built on words, built on work  
It's built on, built on words  
Built on words, built on work  
It's built on, built on words  
Built on words, built on work  
Responsible for what I say  
Responsible for what I hush  
Responsible for what I say  
Responsible for what I hush  
Responsible for what I say  
Responsible for what I hush  
Responsible for what I say  
Responsible for what I hush
